Week 2 (Term 4) – Kai Heald, Chloe Scholz
Week 3 (Term 4) – Natasha Beckett, Kyle Wolter

Primary Excursion

Our Year 4-6 students had a fantastic time at our major excursion to Melbourne and Ballarat last week. Please see the attached responses from the students, and see our website for more photos.

Musica Viva/ Tennis Day
All children K-6 will travel to boree Creek this Friday. Primary students will participate in the Greater Kengal tennis day, followed by the Musica Viva concert, while the Infants will do activities at Boree Creek School followed by the concert.

Final Kinder Orientation

Our fourth and final Kinder Orientation Day for our new Kindergarten students is next Tuesday 3rd November. Our P and C will be supplying a BBQ lunch for all students. Parents are welcome to join us!

Melbourne Cup Day

Next Tuesday is also Melbourne Cup Day! Students are welcome to dress in their finest race-going attire if they wish, or even dress as a jockey! We will have a short presentation of the children in their outfits before lunch at 1pm.
Pink Ribbon Day

Next Friday 6th November we will be supporting Cancer Council's Pink Ribbon Campaign. The students are invited to wear pink on the day and bring in a gold coin donation. All donations will go towards helping to fund research in the fight against women’s cancers.

Steven Schultz
Principal

Our Excursion 2015

MCG
Our first stop was the MCG. We learnt about when they ripped up the ground and then put in new grass. We also learnt about the special seat, where a famous cricketer hit the ball way up to the second highest seats. All the boys loved it but the girls didn't really like it. (Kyle Wolter)

Old Melbourne Gaol
On the first day we went to the Melbourne Gaol. Our tour guide’s name was Michelle. She was really nice. I learnt that on the top floor there were eight people in each cell. (Melanie Fischer)

Dinner at Lygon Street
When we got back from the gaol we got ready to go to an Italian restaurant for tea which was pizza & pasta. It was very nice. (Bailey Lieschke)

Melbourne Zoo
On the second day the first stop was the zoo. We nearly looked at all the animals. At the end we went to the gift shop. (Declan Maclean)

Sovereign Hill – Ballarat
At Sovereign Hill we had a class with a lady. She was dressed in olden day clothes. All the streets were olden day with the olden day shops but you could buy things from the shops. We got to walk around for a bit. Some people brought things but I didn't. We went and watched a gold pour demonstration. My favourite bit was when we went into the class because we got to play olden day games. (Chloe Scholz)

Blood on the Southern Cross – Sovereign Hill
On the second night of our excursion we went to Blood on the Southern Cross. First we sat in the theatre and watched a short movie. We then went outside into Sovereign Hill. At night Sovereign Hill is more different than usual. At the end of the show, a man dressed as Peter Lalor made a speech. The show was fascinating and very interesting. (Nikita Maclean)

Scienceworks Museum
The Scienceworks Museum was cool. We saw robots and lots more. My favourite thing was when we saw the lightning hit all types of things. We had to block our ears. Scienceworks was fun. (Joseph Clancy)
MELBOURNE ZOO

SILLY PICTURE IN FRONT OF THE GAOL
Fanny Lumsden Night!

It seems as though a fantastic night was had by all, including the students. I was very proud to see them all performing their glow stick dance. They practiced and practiced, and the hard work paid off! A big thank you to Debbie Leischke for all her help making our dance come to life!

Pre-School Visit

Last week, whilst the Primary students were in Melbourne, we visited the pre-school for morning tea and a play. It was fantastic to see the students using their imaginations and playing cooperatively with the younger children. I think it brought back some old memories for some!

Puppet Show/Workshop

Next week the pre-school has invited a guest puppeteer who will put on a show for the students and hold a small workshop. This will be held next Wednesday at Pleasant Hills Pre-School and our students from K-2 have been invited to attend. A permission note with further information will be sent home shortly.

Famous Proverbs... Ended by K/1/2

I asked our students to end some famous proverbs and after hearing the answers, I think it is safe to say our students are very 'matter of fact!'. They thought their answers were more appropriate than the real ones!

1. You can lead a horse to water, but you can't make them get in the water.
2. Never underestimate the power of electricity.
3. If you lie down with dogs you'll fall asleep.
4. Happy the bride who kissed.
5. Children should be seen not fighting.
Henty and District Cricket Club Milo in2cricket program 2015/16

The MILO in2CRICKET program aims to develop skills and an enthusiasm for the game for 5-8 year olds. It has been running for over 20 years and is a brilliant program for young boys and girls that introduces fundamental cricket skills in an environment that is fun, safe and most importantly promotes a healthy lifestyle where children develop social skills and make new friends.
The program is run on Saturday mornings at the Henty showgrounds from 9:30am-11:00am and will begin with a registration morning on the 31st of October.
The program is run by volunteers. Each participant receives a pack containing a backpack, MILO, Aussie Cricket Crew membership, bat, hat, shirt, drink bottle, ball and other giveaways so kids can practice their skills during the program and at home with family and friends.
The cost of the program is $75 which includes all the activities and in2CRICKET participant pack.
For any further questions please contact Mark White on 0419 252 380. We look forward to seeing you there.

Henty Swim Club

Registration Dates Monday 16th and Wednesday 18th November 4:00-5:30pm Henty Pool
For further information see flyers attached to newsletter.

Swim and Survive Classes

Brochures regarding information regarding the swimming program are attached to the newsletter. All enrolments for Sport and Recreation’s Swim and Survive program should be directed to www.sportandrecreation.nsw.gov.au/swimandsurvive or their client services centre on 131302.
