Please Note that this event organised by the Pre-School has been postponed, but they hope to set another date in the near future. (Date to be decided)

Harmony Day

We will combine with Yerong Creek and Boree Creek Public Schools to celebrate Harmony day on Friday 20th March at Yerong Creek. This year we will be participating in activities involving the country of Turkey, including traditional cooking and dancing. Travel will be by bus. We will leave school at 9:15am and aim to return to school between 2:30 and 3:00pm. Students are encouraged to wear something orange if possible combined with sports uniform.
GK Cross-Country

Our annual cross-country carnival will be held on April 1 at the Riverina Environmental Education Centre in Wagga. This will be held as a Greater Kengal carnival – involving Boree Creek Public, Yerong Creek Public and Lockhart Central Schools. Travel is by private car and our P & C will be running the BBQ. A sausage in bread will cost $2.50 and fruit boxes $1.00 each. Tea and coffee will also be available. Please make sure your child is wearing a hat and ample sunscreen, has their own water bottle and morning tea. Thank you in advance to our P & C for catering on the day. A permission note will be sent home today, please return to school as soon as possible.

Responsible Pet Ownership Visit

On Monday 16th March we had a visit from the Responsible Pet Ownership Group to educate us on living safely with dogs and responsible pet ownership. The presenter, Carmen promoted vital safety messages such as:

- when dogs should be left alone
- things we should not do to dogs
- how can you tell if a dog is happy, scared or angry
- a safe way to approach and greet a dog
- if approached by an unknown or aggressive dog.

Carmen even brought in a cute little dog called Zita. All the kids thoroughly enjoyed the presentation and increased their knowledge of dealing with pets.

Mrs Sypott’s new “word wall” display in K-2 Classroom

These removable boards display sight words for the children so that they can use them for independent writing and other useful resources. The “word walls” were made with lots of felt, velcro, staples and hot glue guns. Thank you to Mrs Sypott for all her hard work.
